In New India, and agitation is on foot to shorten Tue Democrat e Senatorial caucus in York the increase was 5.5 the hours of labor in that country. Coton manufacture in India is rapidly growing, and that country will soon be a formidable rival in the field of competition.

CONGRESSMAN CANNON, of Illinois, the expelled from Russia. Appropriations, recently told a reporter that when the adjudications under the new pension law were made, the pension roll would reach \$150,000,000 a year. He estimated the cost of the new law at \$50,000,000 a year. Mr. Cannon said he had no doubt that the revenues of the Government under the new tariff law would be sufficient to meet all the ordinary expenses of the Government and pay \$150,000,000 a year for pensions.

A CARLEGRAM received by General Pitz Hugh Lee, president of the Rock Bridge Company, from London, announces that the first payment has been made to the British-American Trust Company of London of the \$1 .-500,000 which is to give a syndicate made up of prominent Englishmen an nterest in the capital stock of the company which controls the town of Ginsgow, Va. The arrangement is similar to that made by the Middlesborough Town Company of Kentucky with syndicate, some of the members of which are also interested in Glasgow.

Duning the debate on the budget i the French Chamber of Deputies, M Laur asked leave to quest on the Goverament as to what it proposed to do to prevent the drain of gold from France for the benefit of foreign markets. M. Rouvier, the Minister of Finance, declined to discuss the question, whereupon M. Laur made a violent attack on the Finance Minister, accusing him of using his official position to enrich himself by speculation. Agreat uproar followed and the President of the Chamber twice called M. Laur to order. The latter became greatly excited and on-deavored to continue his harangue, but was finally compelled to desist.

DESPOILERS AT WORK. Thieves Playing Havoo About Ranches on

the Cherokee Strip-The Government Alone Able to Protect the Property. KANSAS CITY, Ma., Nov. 22 - Secretary ohn A. Blair, of the Cherokee Strip Live-Stock Association is in the city and tells a startling story of ruin and devastation now going on throughout the Strip. Having as his official duty. ment orders out the troops to of the lease made with the Cherokees for the Live-Stock Association provide that all improvements of a stationary character made by the association shall revert to the use

The ranch buildings are all good, and include stables and such out-houses as vould be very valuable to settlers or the Indians, should that country not be opened to settlement by the whites. Owing to the scarcity of lumber in that lated country, and therefore the Indiana iald great stress on the clause that provided for their ownership of the improvements when the association should

days. This would leave the Indians in possession of all the improvements, if

he'r neighbors were less inclined to

acate their lands. "They little thought," said Mr. Blair, that by the time they wanted to utilize those improvements that they would be distributed overhalf of Southopinion that "if the Democrats get an ern Kansas and most of Oklahoma. extra session next spring it will be the That is just what's going on. As fast as beginning of the end for them." He they are vacated lumber-thieves pull thinks Mr. Mills will win in the Speak- them down and carry them away. It is ership contest. Many other Repub- the same way with fences. Every night ranches are leveled to the ground and fences grow less prominent. In fact, it s on the way to Washington with a looks now as though one could soon ride wlew to securing the enactment of legis-lat on which will lead to the disfran-other and not find a fence to impede chisoment of the Mormons, has created his progress. It cost the cattlemen quite a commotion in political circles. about 86,000 to fence every 100,000 acres There are two bills now pending in the of that land, and as the Strip contains respective houses which propose to take over 6,000,000, you can see that for fences the privileges of the franchise from any alone about \$400,000 has been spent. Add to that the cost of ranch buildings, ing polygamy, or who may be attached and the Indians will lose what cost any institution that does Friends \$500,000 if the thieving now going on

"The Indians can only appeal to the Government for protection and gather the United States. It does not appear, thieves, who will no doubt be prosehowever, that there will be any time cuted. The Indians have not yet got for the consideration of such bills dur- possession of the Strip, and can not, therefore, question the right of any one Senator Vance, who has had so much found within its border. If they could trouble because of his opposition to the there would be less thieving done there; said that he will giadly co-operate with time the Cherokees are given possession

conformable to the Constitution It is Mr. Blair reports that there are no believed that his statement will facility cattle in the Strip east of Pond Creek, tate the closing of the chases between and that only about two train loads re-Mr. Vance and the North Carolina Son- main in the western part of that domain. Within a week he says that all catt c and ranchmen will have vacated the disputed ground and left it to the

A question involved in the matter, and not determined sat stactorily to the parties interested, is who are responsiwalls of a new brick building in course be for those improvements and upon of crection by Wells, Fargo & Co., on whom would the duty of instituting Pavonia avenue, suddenly fell this criminal proceedings against the thieves morning, burying a large number of devolve? "If the Indians don't own the Str.p." said Mr. Blair, "it would seem to be the Government's business to see were soon on the spot, and the work of that its wards were not robbed. Inasmuch as the thicking is going on before the association has surrendered its possession of the Strip, the Indiana, their title to the lands is good, would no doubt, have cause for action against agreement. Such action will, however, hardly occur the Cherokees realizing heavy blocks of wood. As fast as the the ranchmen could not protect their ambulances arrived the injured men property. Both Indians and cattlemen blame the Government for the unforts nate condition of affairs. Meanwhile the despollers are at work.
